INSTRUCTIONS FOR COMPLETING FORM EE-3

This form is used to gather information regarding an Energy employee's work history. List all periods of employment. If additional space is required, attach a supplemental statement to this form. For employment that was clearly not for the Department of Energy (e.g., employment as a clerk in a grocery store), you only need to list the dates of employment and name of employer. If you are uncertain about whether a particular period of employment was for the Department of Energy, complete all items as fully as possible. **YOU MAY USE AS MANY COPIES OF FORM EE-3 AS NECESSARY TO PROVIDE A COMPLETE EMPLOYMENT HISTORY FOR THE EMPLOYEE.**

Dates of Employment

Beginning with the most recent period of employment and working backward, list the period of employment for each job held.

Employer

Identify the name of the employer. Spell out any initials used to describe a facility. For example, TVA should be spelled out as the Tennessee Valley Authority. Individuals who worked for a contractor or subcontractor should list the name of the company for which they worked and the entity that held the contract. Specify the location where employment activities were conducted including the city and state. Provide any other useful descriptive information about where work was performed such as the name of the facility, site, laboratory, building, mine etc.

Position Title & Description of Work Performed

Identify the job title and the type of work activities performed during the listed period of employment.

Describe All Factors(s) Believed to have Contributed to the Development of the Claimed Illness

Provide a brief statement explaining the date and circumstance of all factors believed to have contributed to the claimed illness.

Was a Dosimetry Badge Worn While Employed?

Indicate whether or not the employer required a dosimetry badge to be worn. If yes, provide the dosimetry badge identification number.

PRIVACY ACT

In accordance with the Privacy Act of 1974, as amended (5 U.S.C. 552a), you are hereby notified that: (1) The Energy Employees Occupational Illness Compensation Program Act (42 U.S.C. 7384 et seq.) (EEOICPA) is administered by the Office of Workers' Compensation Programs of the U.S. Department of Labor, which receives and maintains personal information on claimants and their immediate families. (2) Information which the Office has will be used to determine eligibility for, and the amount of, benefits payable under the EEOICPA, and may be verified through computer matches or other appropriate means. (3) Information may be given to the Federal agencies or private entities which employed the claimant at the time of injury in order to verify statements made, answer questions concerning the status of the claim, verify billing, and to consider other relevant matters. (4) Information may be disclosed to physicians and other health care providers for use in providing treatment or medical rehabilitation, making evaluations for the Office and for other purposes related to the medical management of the claim. (5) Information may be given to Federal, state, and local agencies for law enforcement purposes, to obtain information relevant to a decision under the EEOICPA, to determine whether benefits are being paid properly, including whether prohibited payments have been made, and, where appropriate, to pursue salary/administrative offset and debt collection actions required or permitted by the Debt Collection Act. (6) Failure to disclose all requested information may delay the processing of the claim or the payment of benefits, or may result in an unfavorable decision. This notice applies to all forms requesting information that you might receive from the Office in connection with the processing and adjudication of the claim you filed under the EEOICPA.

PUBLIC BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 1 hour per response, including time for reviewing instructions, searching existing data sources, gathering data needed, and completing and reviewing the collection of information.
